Absentee Balloting Procedures
of the Board of Supervisors of Elections (Board)

1. Obtaining an *Absentee Ballot*
 - a. The form, *Application for an Absentee Ballot*, will be available at the Town Office or from the Town website.
 - b. The *Application* will be accepted until ten days before a regular Town election.
 - c. A submitted *Application* must include the voter's name, Town residence address, signature, and the address to which the ballot is to be mailed, if different from the Town residence address.
 - d. *Applications* must be returned via the US Postal Service or hand delivered to the Town Clerk, functioning as a deputy to the Board of Supervisors of Elections.
 - e. The Board will verify that the applicant named on the *Application* is a qualified voter in Washington Grove by determining whether they are a registered voter in Montgomery County residing in Washington Grove, using the then current certified Montgomery County voter registration furnished to the Town by the Montgomery County Board of Supervisors of Elections.
 - f. If an applicant for an absentee ballot cannot be verified as a qualified voter, the Board will notify the applicant in an attempt to resolve the issue. Failing that, the absentee ballot will be delivered and, if returned, treated as a provisional ballot.
 - g. If an absentee ballot is delivered and then reported as lost, a second ballot will be provided if time permits. Returned absentee ballots will be monitored closely to ensure that each voter casts only one ballot. This will be accomplished by logging each returned absentee ballot and, on Election Day, noting returned ballots on the precinct register before the polls open.
2. Distribution of an *Absentee Ballot Package (see below)*.
 - a. An *Absentee Ballot Package* may be mailed to the voter via the US Postal Service
 - b. An *Absentee Ballot Package* may be hand delivered directly to the voter by the Town Clerk or a member of the Board.
 - c. *Absentee Ballot Package* will be available for mail or pick-up beginning on the third Monday of April preceding the regular Town election.
3. Submission of an *Absentee Ballot*
 - a. An *Absentee Ballot (see below)* must be returned to a designated member of the Board either via US mail or in person.
 - b. The Deadline for accepting an *Absentee Ballot* by the Board is up to the close of polls on Election Day. Ballots delivered after this will not be accepted or counted.
4. Handling of *Absentee Ballots* by the Board
