

Should we paste a copy of the town's insurance policy here?

Hi Mary,

My only recommendation is for the Town to make sure that the portion of the Town streets that connect to the bike path are well maintained and maintenance and complaint logs are implemented, so that the Town has documentation in case a Claim is filed against the Town. The Town's liability policy provides coverage for bodily injury and property damage only if it is due to negligence.

Let me know if I can be of further assistance.

Thanks,
