Gray,

Since you have not responded to this message sent to you last week, I am forwarding it to the entire town council. It is not clear to me whom I should send it to to get action on this items.

Town Council,

Please take care of the items listed below. I am willing to speak with whoever will deal with these items.

Thank you,

Joli

To:Gray Yatchup <gyachup@gmail.com>

Gray,

I am wiring to you in regards to the down walkway chain at Grove Avenue and Second Avenue. Since the tree stump is removed, a post needs to be in stalled to have the chain go parallel to Grove Avenue. This does help prevent vehicles from driving on Grove Avenue and Second Ave. In fact, I'd like to see Second Avenue straightened out to not curve in between 313 and 315 Grove Avenue, just like all of the radiating avenues emanating from The Circle.

This is also a reminder about the gravel needed along First Avenue in between 1 and 2 The Circle. The zoysia grass is encroaching and this is not good. This grass chocks out 3 everything in it path.

Please resolve the 3 matters in a timely fashion.

Joli
