Subject: Town Business

Dear Mayor and Town Council Members:

Regarding the issue of public access to restrooms and absence of trash cans, to be discussed at tonight's town meeting.

There were problems (best experienced by the maintenance staff) that caused the Town to close public access to the rest room and discontinue placement of trash cans many years ago.

With that as background, the Town should be cautious before considering what historically was problematical.

Thanks for your service,

Don and Birgit Henninger
