Mr. Mayor and Town Council,

I am writing to express support for the resolution acknowledging Washington Grove's racist past--as written, without changes. As a new resident of Washington Grove (2 years) I am frankly disheartened that this resolution is controversial. To not acknowledge our role in this nation's very dark history is to state that we are fine with it.

I am not fine with it, and none of us should be.

For the sake of this town's vibrant future, we need to acknowledge our racist past.

Thank you.
