Town Council Enacts Ordinance Adopting the Town Budget and Tax Rates for FY 2024

Maryland law requires municipal budgets to be adopted by ordinance. On May 22, the Town Council affirmed the action taken by the May 13th Town Meeting and enacted Ordinance 2023-02 adopting the budget and tax rates.

Elections Results

Annual Town elections were held Saturday, May 13, in advance of the Town Meeting. John Compton was elected to a one-year term as Mayor. Peter Nagrod and Rob Gilmore were elected to Town Council for three-year terms. Mary Warfield was elected to a two-year Council term, the completion of the late Darrell Anderson’s final term. As always, deep gratitude to those willing to give of their time, energy, and talents in serving the Town in these capacities. Thanks as well to all who participated by voting.

Town Meeting Adopts FY 24 Budget and Tax Rates

The property tax rate for the fiscal year beginning July 1 will be the constant yield rate of \$0.2370 per each \$100 of assessed valuation. The dwelling unit charge, tied to the cost of trash and recycling collection, will be \$240.00 per dwelling per year. [Copies of the adopted budget detail are posted on the Town website.](#) If you have questions, please contact Treasurer Jean Moyer at 301-775-1168 or treasurerwtg@gmail.com.

Volunteer of the Year Award!

The Volunteer of the Year award was presented to Emily Cavey by Mayor John Compton at the Annual Town Meeting. This year, after 14 years, Emily relinquished the reins as coordinator of Summer in the Parks, where her commitment and drive have been key to the continuation and success of the program. Emily is the long-serving (but not long-suffering...) Chair of the Recreation Committee. For ~12 years and counting, her efforts in this capacity have insured the success of so many of the annual events that are the heart and soul of the Grove. This was especially challenging during the restrictions of the Covid pandemic years, when Emily created, for example, the innovative drive-by Halloween costume and pumpkin-decorating events. Emily retains her interest in event planning and expects to be succeeded – someday – by someone of similar passions and commitment.

Planning Commission News

Next meeting: Wednesday, June 7, 2023, 7:30 pm. The public is invited to attend this virtual meeting via ZOOM. As part of the Town's response to the COVID-19 crisis, this Planning Commission Meeting will be conducted online, rather than in person. Residents and the public may access these meetings [by Zoom videoconference](#), or dial in to 301-715-8592, meeting ID: 881 3713 5118 and following the audio instructions.

Please make sure your name is associated with your Zoom device in order to be admitted from the Waiting Room.

Building Permit Submission Deadline

The deadline to submit a building permit application for approval by the Planning Commission and review by the Historic Preservation Commission is **the 2nd Wednesday of the month** prior to the PC meeting at which the permit will be reviewed (this will be in the following month). This timing ensures the HPC will be able to complete a formal review before the PC meeting as this review is required for the PC to approve the permit in a timely fashion. If you are considering any renovation or building project at your house, be sure to get a copy of the procedures to apply for a Town Building Permit which will help you through the Town's process.

Building Permits Approved in May

- 336 Ridge - Fence

Public Ways & Property Permits (PW&PP) Approved in May

Summer BBQ Pet Safety

If you bring your pet to a BBQ this summer, be mindful of the hazards and exercise caution as you celebrate.

- **Poisonous foods:** Alcohol, grapes, onions, chocolate, and anything containing Xylitol are toxic to pets.

- **Choking and intestinal blockage:** Corn cob, bone, peach pit, and skewers are common obstructions.
- **Limit fatty foods:** They can cause inflammation of the pancreas (pancreatitis), which can be deadly.
- **Dumpster diving dangers:** Unsecured trash can contain all of the hazards listed above.
- **Guard the grill:** The aroma of sizzling meat can lead to toppled grills and burned paws.

Forestry & Beautification News

Next Meeting: Wednesday, August 9, 2023, 7:30 p.m.

The F&B Committee is on summer break. Our next meeting will be on August 9 as we start to plan for planting trees this fall. If you have a suggestion for where a new tree is needed, please contact one of the F&B Co-Chairs: Georgette Cole (georgettewg@gmail.com) or Audrey Maskery (trees.beautification@gmail.com) or our Council Liaison Barbara Raimondo (councilorbarb@gmail.com).

Did You Know that You Can Get FREE TREES for Your Property?

Tree Montgomery is a FREE program to plant shade trees across Montgomery County, Maryland. Its goal is simple – to plant shade trees and increase our tree canopy, which will provide an array of benefits for you and for our community. Many of the large old trees that have died in Town in recent years were on private property. This is an opportunity to help replace them without cost to the homeowner. Tree Montgomery's trees are more than 10 feet tall when planted and will eventually grow to more than 50 feet tall, providing benefits for you and for Town. Over three dozen species of trees are available for planting. Full information is at <https://treemontgomery.org>. Several Town residents have successfully used this program. If you are interested but feel a little overwhelmed by the process, please know that the Forestry & Beautification Committee is ready to help.

Contact Georgette Cole georgettewg@gmail.com, Audrey Maskery trees.beautification@gmail.com, Jay Everhart j54ay@icloud.com, or Deb Mehlferber dkmehlferber@gmail.com to get started.

Meetings

We hold meetings the second Tuesday of each month. The next meeting is on Tuesday, June 13, 2023. We will have a **hybrid meeting**, in-person in the Council Room and on a computer for those joining by Zoom. New members welcome and encouraged! Call John Hutchinson or Tom Land if you have any questions or suggestions.

Looking for Lifeguards and Lake Guards for Summer 2023

Lifeguards are needed for Maple Lake this summer. Hours are from 12 – 6 pm, seven days a week (including ½ hour break). **Lifeguard pay is \$17/hour.** Lifeguards must be certified in lifesaving, CPR, and first aid (we can help pay for the training.) Call Tom Land or John Hutchinson for details. Lake guards are also needed, and hours are the same as for lifeguards. The lake guards will assist the lifeguards. Pay is **\$15/hour.** Call Tom Land or John Hutchinson for details.

Looking for Swim Instructor for Summer 2023

Swim instructor is needed for June 26 – July 21 in the afternoons. **Pay is \$20/hour.** Call Sung Chang for more information.

Swim Lessons

Swim lessons will be for children ages 3 - 13 years. We hope to have lessons on weekdays in the afternoons following Summer in the Parks (SITP), from June 26 to July 21 (with no lessons on July 4). [Sign up for swim lessons here.](#)

Swim at Your Own Risk

We are fortunate to have lifeguards for most days. When we are unable to staff sufficiently, the diving board will be closed. We ask parents to be responsible for their children and watch them when they are in the water, even when the lifeguards are on duty. View the [Lake Rules and Regulations.](#)

Summer in the Parks is Starting Soon!

The time is NOW to [register your camper\(s\)](#) for Summer in the Parks!

[Summer in the Parks \(SITP\) day camp](#) will be held weekdays **June 27-July 20 from 9 am to 1:30 pm**, with no camp on July 4. All activities will take place in and around Washington Grove, and a family camp-out will be held the evening of July 21.

Camp is open to **rising kindergarteners through rising seventh graders**. The total cost for all four weeks is \$250 for residents and \$350 for non-residents. You can't find a better deal than that, and financial assistance is available for those who need it.

Camp registration is due by June 15, but please register ASAP because there are a limited number of spots available.

Reach out if you have questions! Eva Patrone, Camp Moderator: counciloreva@gmail.com, (504) 220-1760

Music Weekend Schedule of Events

Friday June 23, 5 pm, Maple Lake

- 5 – 6 pm: children's singalong
- 6 – 7:30 pm: Grove musicians will lead the town in a campfire singalong (bring your own dinner; s'mores will be provided)

Saturday June 24

- HPC speaker mid-day (more information will be provided as we approach music weekend)
- 6 – 8:30 pm: Live music under the stars at the Gazebo. Bring your own dinner and a blanket! Snow cones and popcorn will be provided.

Sunday June 25

- 10:30 am – 12 noon: Enjoy a jazz POTLUCK brunch at the Gazebo. Mimosas will be provided.

Friday JULY 14th

- 6 pm: Children's Youth Recital: More details will be provided as the date approaches.

Yoga in the Grove Continues for the Summer!

Town resident and certified yoga instructor Rachel Schwartz will continue to offer a free yoga class on Tuesday evenings from 6-7 pm in McCathran Hall. Please note there will be **no yoga class on June 6 or July 4**.

Also note: For July and August, you will need to RSVP to Rachel at soferrs@gmail.com by noon on Tuesdays. Since people are often busy during the summer months, yoga class will be held each week as long as there is sufficient interest.

Rachel practices [Ashtanga yoga](#) and teaches a vinyasa (flow) class with modifications for all levels. Please bring your own mat and feel free to bring blocks if you use them. The class ends on our backs with a cooling relaxation, so consider bringing a sweatshirt or fleece. Be sure to print out and complete this [waiver form \(PDF\)](#) and bring it to your first class.

Yoga is free for Washington Grove residents, although donations are accepted. Non-residents may attend for \$10 a class (cash only, please).

Woodward Park

The parking area of Woodward Park is closed to vehicles between sunset and sunrise. The gate is closed by volunteers, and we rely on early-morning walkers to open the gate at sunrise. So, if you happen to see the gate still closed during the day, please do us a favor and swing it open. (The gate is not locked.)

We are also looking for a few more volunteers to help close the gate at night. This an easy task —simply closing the gate— and could be done by someone who regularly takes an evening stroll. **If interested, please contact Eva Patrone at counciloreva@gmail.com.**

Even if you are not an official volunteer, if you happen to notice the gate still open after dark, feel free to close it. Although we rarely have trouble in the park, having the gate closed at night is a good deterrent. Thank you!

Stormwater Mitigation

The Woods Committee co-chairs and Mayor Compton met with our contractor, the environmental engineering company Soltesz, to review the scope of work for the stormwater mitigation project. Soltesz will survey existing stormwater infrastructure in public areas to develop an assessment for improvements. The Woods Committee will also be working with RJ Landscaping company on the restoration of Whetstone Spring in the West Woods. We hope to have this restoration completed in time for the Town's 150th Celebration weekend in August.

New Trees!

Fourteen new trees (oaks, dogwood, redbuds, service berry) were planted in the East Woods along McCauley, Frankland, and Cherry walking trails to replace lost trees and support the tree canopy. We are looking for volunteers, individuals, or families, who can "adopt" a new tree and water it once or twice a week, depending on rainfall. Several families have watered trees in the past: Challstrom, Quesada, O'Connell, Zwaniecki. We sincerely appreciate these volunteers. If you are willing to help, please contact Joan Mahaffey.

Trail Markers

We are installing additional trail name signs at walking trail intersections in the East and West Woods to orient hikers. These trail signs were erected to keep people safe and enjoy our forest preserves. If you find any fallen trees across trails, dumping of plant debris, or any safety issues in our forest preserves, please contact Wood Committee co-chairs Joan Mahaffey or Patty Klein.

Please stay on the walking trails to protect these reforestation areas. Enjoy all seasons in our forest preserves!

Woman's Club News

The Drive to Cover Young Bums Continues!

This Month's Coffee and Donut Event is Saturday, June 3, from 9-10:30 am, at the Woman's Club Clubhouse.

Come enjoy a lovely June morning with us, with free coffee, juice and pastries, and bring along a few pairs/packages of new underwear for young people in our greater community. Our annual underwear drive honors our former club president, Liz Robertson, who was passionate about children having their most basic needs filled as they return to school each year. With your donations, each back-to-school backpack assembled by Interfaith Works will include age-appropriate underwear for County children in need. We look forward to seeing you on Saturday!

This drive will continue throughout June. Drop off your donations at the Clubhouse porch or on Wendy Weisbard's porch at 119 Grove Avenue. If you prefer to donate funds, send a check to Cynthia Werts, 410 Oak Street, PO Box 354. Designate "Underwear" with your donation.

Community Outreach

June 16th Ice Cream Graduation Party for Seneca Heights Apartments

This year we are continuing our tradition of helping the residents of Seneca Heights, an apartment complex for families who are experiencing homelessness, as they celebrate with an end-of-school party for their graduates. We will be scooping ice cream so that everyone can create their own sundaes, with sprinkles, syrup, and the works! To help out at this event, contact Wendy Weisbard at wwg26@hotmail.com.

The kids living in these apartments have worked hard while overcoming challenges, so we also provide gifts for those graduating from kindergarten, elementary school, middle school, and high school. One of this year's graduates will be going on to Montgomery College!

The Need for Our Outreach

On May 5, 2023, the [Metropolitan Washington Council of Governments](#) announced the results of the 2023 Point in Time (PIT) count of people experiencing homelessness. After consecutive years of declining PIT counts, the results show an overall increase in EVERY jurisdiction.

Montgomery County's survey counted 894 adults and children experiencing homelessness and residing in shelters, transitional housing, or who were unsheltered. This includes 611 adult-only households and 85 families with children.

We can't end the poverty and homelessness around us, but our Town, through your generous contributions and donations, goes a long way towards making life a little easier for these people.

Clothing Partnership with Emory Grove United Methodist Church

We're getting a great response to our partnership with the Emory Grove Church to collect used clothing, in good condition, to give to people in the community on the third weekend of each month. Drop off your donations at the Clubhouse porch or on Wendy Weisbard's porch at 119 Grove Avenue. The Church will pick up and distribute clothes.

Helping Families in the Archways Program

We now support seven families through Archways, a program for families who are chronically homeless. They are always in need of non-SNAP necessities, like towels, wash clothes, cleaning supplies, feminine hygiene products and deodorant. Other non-SNAP items that are always needed are diaper wipes, hand sanitizers, laundry detergent, paper towels, any flavor of Pedialyte, blue box Similac powder and toilet paper. With the recent major cuts to the SNAP (Supplemental Nutrition Assistance Program) allowances, our monthly boxes of non-SNAP items mean that families don't have to stretch their budgets to buy those needed supplies

The 17 children in this program range in age from infants to teenagers. We frequently give their social worker treats to take to the children when she visits, in addition to the care packages we have prepared for the families from your generous donations. With summer coming and the kids out of school, they may not be able to take advantage of the school meal programs, so donations of breakfast foods, mid-day snacks and non-perishable lunch foods are especially needed.

Drop off your donations at the Clubhouse or on the porch at 119 Grove Road. Checks should be made out to the Woman's Club (WCWG), and in the memo line, indicate if you want the money to go towards a specific project, like non-SNAP, or leave the memo line blank and let us determine which program is most in need at the time. Send checks to Cynthia Werts at 410 Oak Street, PO Box 354.

Other Notices

Dumping Prohibited!

The Mayor and Council remind residents that dumping (grass, leaves, brush, chips, debris etc.) on Town parkland or in the Conservation Meadow is not permitted. Areas of the Woods boundaries, Morgan Park along Brown Street, and elsewhere have intentionally been left to "over-grow" to restore native flora or provide a natural sound barrier. **Town property should not be used as a dumping area for residents or their lawn service contractors.** In rare situations, and only upon application to the mayor, specific and explicit permission may be granted.

Chestnut Avenue Urgent/Emergency Sewer Replacement

The sewer line running under Chestnut Avenue between Brown Street to beyond Oak Street (102 Chestnut to 202 Chestnut) is being replaced by contractors for WSSC (Ross Contracting).

A note from them:

Thank you for your continued patience while WSSC Water investigated the six-inch sewer main on Chestnut Avenue. We understand the inconvenience and we appreciate the community's patience while we investigated this project.

Background Information

As a result of a recent CCTV inspection of the six-inch diameter sewer main on the 100 and 200 block of Chestnut Avenue, WSSC Water will need to replace two sewer segments. The rehabilitation will include upsizing the current six-inch to an eight-inch pipe as well as replacing three manholes along Chestnut Avenue. The current pipe was installed in 1926 which makes it necessary to rehabilitate to ensure we continue to provide safe and reliable service.

Project Update

- **Pipe Replacement:** Sewer service laterals will be replaced between the 100 and 200 block of Chestnut Avenue.
- **Pipe Bursting:** The six-inch pipe will be upsized to the eight-inch pipe via trenchless pipe bursting.
- **Sewer Manhole Rehabilitation:** The affiliated three manholes along Chestnut Avenue will be replaced.
- **Restoration:** Restoration is expected to be completed by the end of Summer 2023.

Work Hours

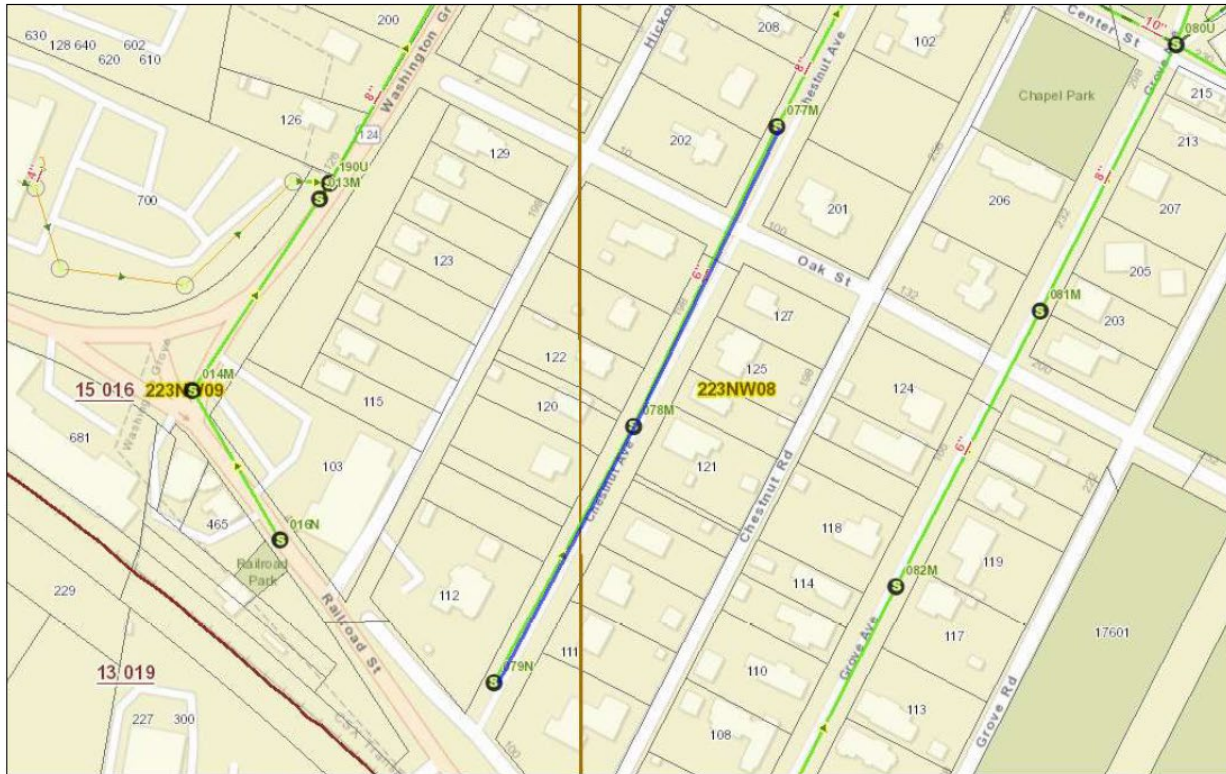

Anticipated work hours: **Monday - Friday, 7:00 am - 4:00 pm.** Work will occasionally extend beyond these hours to complete specific tasks.
