## **Public Hearing**

### **Ordinance 2023-02, Adopting the Town Budget for the Fiscal Year July 1, 2023, Through June 30, 2024, and Levying and *Ad Valorem* Tax on the Assessable Property Within the Town of Washington Grove**

Before starting the public hearing, Mayor Compton congratulated returning interim Councilor Rob Gilmore, and new Councilors Peter Nagrod, and Mary Warfield on their election. He then administered the Oath of Office to all three members.

A quorum of the Town Council being present (Rob Gilmore, Barbara Raimondo, Peter Nagrod, Mary Warfield), the Public Hearing was called to order at 7:35 p.m.

Mayor Compton noted that the ordinance would require amendment to reflect the addition of \$20,000 made at the Annual Town Meeting to the Council's proposed FY 2024 Budget.

Mayor Compton asked for public comments on the ordinance. There were none. The hearing was closed at 7:45.
