Dear Mayor Compton and Residents of Washington Grove Maryland:

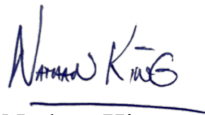

Reference is made to your correspondence concerning mail delivery in the area known as Washington Grove Maryland. In this instance, the United States Postal Service agrees to allow residents of Washington Grove who are not currently provided mail delivery at their physical addresses to receive free mail delivery in a po box at the Washington Grove Post Office. Current po box holders who live in the aforementioned area specific to the town of Washington Grove will be allowed to keep their existing po boxes at no charge. Effective May 1, 2023, as these po boxes come up for renewal they will be converted to free po boxes and the owners will no longer be charged renewal fees.

Any new residents who move into Washington Grove will be issued one of the smallest available po boxes for their use in receiving mail, free of charge. Proof of residency in Washington Grove can be established by presenting documentation from a mortgage, deed, lease, insurance policy, power bill, or something similar that identifies the name of the individual and the address where they reside.

Customers provided free po box service will be able to keep the box for no fee until they decide to close the box or no longer live in Washington Grove.

I trust this information is helpful. Please feel free to provide a copy of this letter to anyone who needs an explanation of the situation. If you have any questions, or if I may be of further assistance, you may email me at michael.n.king@usps.gov.
