Subject: Comment on ADU's parking

I see on-site parking per bedroom is included in the draft ordinance. Parking is an issue on Acorn Lane for 4th & 5th Ave residents as you already know. I assume "on-site parking" doesn't include town property parking as has been done along Acorn for a very long time. So ADU's would only be allowed in properties that have 4+ parking spaces within their lot? Doesn't make sense for my neighborhood.

I also totally back the whole of Joe Clark's letter which is much more informed of town issues and history than I and addresses the enforcement as well.

I am against the ordinance.

Respectfully,
Nan Aitel-Thompson
416 5th Ave.
