

## ADU ZTA minor suggestion

Hi Kathy and John,

Please share with council members. Thank you.

Paula

I have copied a portion of a sentence from the ordinance below. I would like to suggest the deletion of the words in red. Our neighborhood has an eclectic collection of housing styles, therefore compatibility with the neighborhood would be completely subjective whereas, the historic guidelines or compatibility with the existing structure is more objective.

Thank you for considering this minor edit.

2.d. If the Attached Accessory Dwelling Unit increases the volume of enclosed space in the existing building, the modifications should be compatible with the existing structure **and the neighborhood ...**
