Town Meeting News

Town Election Results

Annual Town elections were held Saturday, May 12th, in advance of the Town Meeting. John Compton was elected to a one-year term as Mayor. Kriss Grisham and Barbara Raimondo were elected to Town Council for three-year terms. As always, deep gratitude to those willing to give of their time, energy, and talents in serving the Town in these capacities. Thanks as well to all who participated in the voting.

Annual Town Meeting

The 88th Annual Town Meeting was held virtually by Zoom Saturday, May 11, 2024 and was attended by approximately 85 resident voters. Mayor Compton delivered his “State of the Town” report, Chair Georgette Cole presented a report from the Planning Commission, and Chair Bob Booher gave the Historic Preservation Commission report and “2024 Preservation Award” to Phil and Lynn Mento at 102 Center Street.

The meeting also heard a presentation from Woods Committee Co-chair Patrice Klein on stormwater management issues in the West Woods and the current Stormwater Infrastructure Management RFP, a project to better control stormwater run-off in residential areas west of Grove Avenue and into the West Woods by renovating and upgrading culvert and floodwater infrastructure.

A report on “Sustainability” from Paul Patrone reviewed efforts to reduce the Town’s carbon footprint, summarized the initial year of the Renewable Energy Conversion Incentive Pilot Program, and recommending renewal of the program for FY25.

The “Future of the Commercial Corner” was addressed by Town Councilor and Planning Commissioner Peter Nagrod, in which he reviewed the vision for the property in the Town’s 2022 Comprehensive Plan and recent cooperative efforts with the property owner, including removal of the dumpster, concept drawings for renovation of the buildings, and a proposal from Gaithersburg to construct a bikeway from Old Town and along the property to Brown Street.

FY25 Budget and Tax Rates Approved

The Budget and Tax Rates recommended by the Town Council were adopted by residents at the Town Meeting. The Real Property Tax rate for FY25 will be \$0.2326/\$100 assessed valuation, which is the constant-yield rate which is expected to generate the same amount of revenue as generated during FY24. The Dwelling Unit Tax to recover the cost of trash and recycling collection from property owners will be \$173 per dwelling for FY25. This amount includes a credit of \$39 because costs in FY24 were lower than anticipated.

Town Election Results

The year Mayor Compton presented “Volunteer of the Year” awards to three residents.

 **Christine Dibble** for her time and fantastic work in improving the Town website and keeping it current and useful.

 **Meredith Horan** for her tremendous work as the organizer, recruiter, motivator, and cheerleader for the 150th project.

 **Audrey Maskery** for the hours of work she spends taking care of our big old trees that we love so much.

Have you seen the entry for your home under Washington Grove House Histories on the Town website?

[Here you will find information about each home in Town.](#) While some entries are sparse, others are more expansive and provide interesting information not only about the home itself, but also tidbits about the town’s history. In cases where the builder was known, or if an owner had ascribed a name to the home, that information may be included as well.

As an example – take a look at the entry for 122 Grove Avenue, where you may recognize the names of two Town parks reflected in the listing of early owners of the property.

122 Grove Avenue

Lot and Block » Lot 26 & pt 25, Block 4 Old Lots 28 & 29, Block A

Name »

Built » c. 1883-5

Building Permit Submission Deadline

The deadline to submit a building permit application for approval by the Planning Commission and review by the Historic Preservation Commission is **the 2nd Wednesday of the month** prior to the PC meeting at which the permit will be reviewed (this will be in the following month). This timing ensures the HPC will be able to complete a formal review before the PC meeting as this review is required for the PC to approve the permit in a timely fashion. If you are considering any renovation or building project at your house, be sure to get a copy of the procedures to apply for a Town Building Permit which will help you through the Town's process.

Swim Lessons

If we find a swim instructor we will announce lessons for children ages 18 months - 13 years in the afternoon, following Summer in the Parks (SITP), from July 8 to August 1. If you would like to indicate your interest in free swim lessons for your kid(s), you may [sign up here](#). In the event that we cannot find a swim instructor, we are considering developing guidelines and offering workshop(s) for parents who want to help their kids ages 18 months – three years become comfortable in water.

Lake Permits

We are resuming the practice of issuing lake permits to help lifeguards and give them another way to interact politely when the season begins as they get to know people. We recommend taking a picture of your lake permit with your smartphone as one way to have it with you. If you need a lake permit, please contact Tom Land.

Swim at Your Own Risk

We are fortunate to have lifeguards for *most* days. When and if we are unable to staff sufficiently, the diving board will either be closed or will not be installed. We ask that parents be responsible for their children and should always watch them when they are in the water.

On May 24th 14 volunteers met in the Conservation Park for a work party supervised by Silvia Nuñez, a Natural Resources Specialist with the Montgomery Parks Weed Warrior program. We removed Canada thistle, mile-a-minute, and wineberry from an area of the meadow near the intersection of Ridge Road and Oak St. If you walk by this location, you may notice that we did

not need to bag and remove these non-native invasives. We uprooted the plants before they formed seeds, so it's fine to let them decompose in place.

Over time this approach will deplete the seed bank in the soil while giving native species more elbow room to grow. Thanks to residents Anne Spector, Anne Vincent, Audrey Maskery, Betsy Klinger, Ernie Kawasaki, Janet Lottero, Jay Everhart, Joan Mahaffey, Jolie McCathran, Kriss Grisham, Margo Cavanaugh, and Patty Klein, plus Rockville native Diana Gilpatrick, for making this event a success.

We are coordinating with Parks to schedule the next event on a weekday in the late afternoon or on a Saturday so that students wanting SSL hours plus 9-to-5ers can join in. No experience necessary -- in a few minutes you can learn what to do. Parks also offers Weed Warrior training and certification so you could work independently on your own schedule. If you have questions, please contact Meadows Committee Chair Bruce Daggy.

We will be planning events for 2024. Please join us! Please note this is not the normal day for Rec meetings, but we are meeting earlier in the month to finalize plans for Music Weekend. There may or may not be an additional Rec Meeting on our normal day of Wednesday, June 19.

Check the listserv or email the committee chairs for updates and to get information on how to join the meeting.

The Rec Committee especially needs help planning Fourth of July, Labor Day, and other events! ***Interested but not sure you can attend the next meeting?*** That's okay! Reach out to committee chairs Lisa Bielen (lvbielen@gmail.com) or Kristina Kough (KKoughWG@gmail.com).

Art Night Summer Session Starts June 27!

Bring your pencils, creativity, and love of fun to Art Night in Town Hall!

We'll meet weekly to experiment with unique activities like Drawing Night Fever (drawing to music), Plagiarism is Fun (finish your neighbor's drawing), Drawing from the Wine Side of the Brain, and more.

The 2024 Summer Session runs June 27 to July 25 (with the exception of July 4), on Thursday evenings from 7 to 9 pm. We'll kick off in Town Hall and potentially find other venues depending on summer temps.

Attendees provide their own art supplies (paper, charcoal and/or pencils, and a large drawing board). We will provide drawing easels and tables.

Art Night is organized by Marida Hines and sponsored by the Recreation Committee. There is no fee, but advance registration is required so we know how many easels are needed. RSVP to Marida Hines (maridahines@gmail.com) by June 13, 2024.

Summer in the Parks

Washington Grove's day camp, Summer in the Parks (SITP), will be held this year on weekdays, July 8, 2024 – August 1, 2024, from 9 am to 1:30 pm. The family camp-out will be held (weather and interest permitting) the evening of August 2 through the morning of August 3. Though registration has officially closed, there MAY still be spots available. Reach out to Camp Moderator Eva Patrone with questions: counciloreva@gmail.com.

Music Weekend

Celebrate the start of summer with a full weekend of fun from the Recreation Committee!

Friday, June 21

TBD whether we will have a sing-along at Maple Lake this year. Watch the listserv for updates.

Saturday, June 22, 2 pm - Children's Recital in McCathran Hall

This event is similar to a talent show and is a way for Grove youth and their friends to showcase their talents, musical or otherwise. If your child is interested in performing, please contact Renee Moloznik at 301-467-8680 or Rmoloz@hotmail.com

Saturday, June 22, 6 – 10 pm - Band Night at the Gazebo

After some opening performances by Grove residents, the local band *Late as Usual* will perform from 7-10 pm.

Sunday, June 23, 10:30 am – noon – Jazz Brunch at the Gazebo

Join us for a potluck brunch and music from the jazz trio "JAntico III." Bring a dish to share (drinks and mimosas will be provided). Children are welcome — we will have games and activities for them to enjoy.

Woodward Park News

Parking Lot

The parking area of Woodward Park is closed to vehicles between sunset and sunrise. The gate is closed by volunteers, and we rely on early-morning walkers to open the gate at sunrise. If you happen to see the gate still closed during the day, please do us a favor and swing it open. (The gate is never locked.) And if you notice the gate still open after dark, feel free to close it. Although we rarely have trouble in the park, having the gate closed at night is a good deterrent. Thank you!

Tennis Courts

Reminder! The hard surface tennis court is for tennis and pickleball only. Please don't use skates, skateboards, bicycles, or other wheeled items — they can damage the court. Please also don't allow your dogs on either of the courts as they can cause damage as well. Thank you!

Yoga in the Grove

Certified yoga and fitness instructor **Ingeborg McCright** offers an all-levels yoga class on **Tuesdays from 6 – 7 pm in McCathran Hall**. Ingeborg has been teaching yoga and exercise classes for many years and is able to give modifications for those just starting out and those looking for extra challenge.

Please bring your own mat and feel free to bring blocks if you use them. The class ends on our backs with a cooling relaxation, so consider dressing in layers. If this is your first Grove Yoga class, be sure to print out and complete [this waiver form \(PDF\)](#) and bring it to class. Yoga is free for Washington Grove residents with a suggested \$5-10 donation. Non-residents may attend for \$10 a class. Ingeborg accepts cash or check.

Town EV Charging Stations at One Year

On June 10, 2023, four new electric vehicle (EV) charging stations opened for business at Center Street and Chestnut Road, directly across from McCathran Hall. The stations were installed by Pepco at no cost to the town.

In the first few weeks, it was rare to see a vehicle being charged, but usage picked up once drivers began to find them, and the stations appeared on EV station maps. In the first six months of operation, the four stations recorded about 500 kWh of power sold; in the following six months, the usage rate picked up and more than five times as much power was sold. Now it's common to see the chargers in use. We are looking forward to the first time we see all four stations busy at once!

To use a charging station:

- Download the free “Shell Recharge” app from the Apple store or the Google Play store and sign up for an account.
- At the charging station, connect the cable to your EV and open the app.
- Scan the QR code or enter the Station ID.
- Select “Start Charging”.

Town Municipal Account Now on Community Solar Electricity

Washington Grove’s municipal electricity service, which powers McCathran Hall, the maintenance building, and Maple Lake, has been switched to a community solar provider.

The Town has subscribed to acquire its electricity from the Central Baptist Church of Rockville, MD, which has installed a 148.42-kW solar roof system. Other subscribers to the church’s solar power include the Jewish Council for the Aging and Bradley Hills Presbyterian Church.

A direct loan from Montgomery County’s Green Bank to Skyview Ventures Company and a community solar roof lease agreement with Central Baptist Church made this project possible without any upfront capital investment by the church.

Our town’s electrical account is small, but this is a good step toward shifting Washington Grove away from the use of fossil fuels wherever possible.

We encourage residents to shift their home accounts to community solar as well. To find out at no charge how it works and where slots are currently available to join a solar electric farm, contact Kevin Cheung, Utility Advisor, at Kevin@utilityadvisor.org or call 443-888-2123. Community solar offers a guaranteed savings of up to 10%, and, households with an annual income at or below \$78,768 may qualify for a 25% discount.

We are always looking for new members to help protect our East and West Woods Forest Preserves. Please consider attending a Woods Committee meeting to learn about our projects and join us!

In May, Pat Klein and Dave Cosson represented the Woods Committee during Stormwater Mitigation “Request for Proposals” (RFP) site visits with Mayor Compton and potential contract bidders of public roads and walkways designated for storm water infrastructure repair and improvement. RFP bid submissions are due in early July for Town Council review.

In collaboration with MoCo Parks and the *ad hoc* Meadows Working Group, several members of the Woods Committee (Joan Mahaffey, Pat Klein, Joli McCathran) participated in a Weed Warrior Workday event on Mary 24th to physically remove non-native invasive (NNI) mile-a-minute, Canada thistle, and wineberry plants from the Conservation Meadow along the Ridge Road boundary.

IPC, our NNI plant control contractor is scheduled to perform targeted herbicide treatments for wisteria, mile-a-minute, Japanese knotweed, and other non-native plants in June. A Grove Alert will be distributed, and signs posted in active work areas once the dates are scheduled.

A reminder that we have installed trail marker signs in the East and West Woods to help everyone stay on the designated walking trails and protect our understory native plant vegetation. Please do not create or cut any new trails in the East and West Woods. We ask that you contact the Woods Committee co-chairs to discuss before taking such actions. Please do not walk or bike on the walking trails that are too wet and muddy to avoid rutting and soil erosion and be careful on the walking trails in the Woods on windy days.

Several trees have fallen in the East Woods across the Challstrom and Silver Dollar trails. Woods Committee Co-chairs, Joan Mahaffey and Pat Klein, are working to remove the downed trees blocking the walking trails. Please do NOT try to remove or cut back fallen trees on your own without first contacting the Mayor, Town Office, or Woods Committee co-chairs. Your safety comes first!

Also, please contact the Town Office or Woods Committee co-chairs if you see suspicious behavior in the East or West Woods. We want everyone to enjoy the woods and learn about nature in a safe, non-destructive way.

Woman's Club News

First Saturday Coffee and Donuts -- June 1 from 9 - 10:30 am

Rise and shine on Saturday morning with a cuppa and little holey dough! This Saturday, we'll be featuring some of the fabulous history books about the Grove. Peruse the books and share your knowledge and lore with your neighbors. Remember that story about...? Bring it!

We Can No Longer Collect

One of the Woman's Club's more popular programs, partnering with Emory Grove Church to collect clothes for the needy, has proved even more popular than we ever anticipated – so much so in fact that it has overwhelmed us! We simply do not have the space or the manpower to continue this program, so we are reluctantly saying, effectively immediately, do not bring any more used clothing to either the Clubhouse or Wendy's porch.

Many thanks to everyone who, in the past, has so generously supported this program.

But We Do Continue to Collect

Socks for the men's shelter; underwear for children (tots to teens, girls and boys); non-snap items and shelf stable foods for the Archways families; winter coats for the children of Washington Grove Elementary School; and the all-too-often special requests from families in need. Those donations can still be dropped off at the Clubhouse porch or on Wendy's porch.

Not Sure What to Donate? Don't Have Time to Shop? Not Sure Where to Drop Off Donations?

Donations are always appreciated – just make a note on the check if you want it to go to a particular Outreach program – or leave it blank and we'll use the money wherever it's needed most. And please drop off your donations either in the box on the Clubhouse porch or on Wendy

Weisbard’s porch at 119 Grove Road. Monetary donation checks should be made-out-to the Woman’s Club (WCWG) with a notation in the Memo if you want the money to go towards a specific project. Checks can be dropped off with Cynthia Werts at 410 Oak Street or mailed to Cynthia at PO Box 354.

Our outreach programs can only happen with the continued support of our Little Town with the Big Hearts. We continue to collect shelf-stable foods and non-snap items because those needs never stop!
